**ORDER:-**

In the circumstances reported by the Engineer-in-Chief (Irrigation), in the references read above, Government hereby accord permission for drawal of 1.36 Cusecs of water by M/s Kakinada Sea Ports Ltd. Kakinada for consumptive use (i.e. for drinking and safety purposes) through Summer Storage Tank, Samalkot from Samalkot Canal, subject to obtaining concurrence from District Collector East Godavari, clearance from A.P. Pollution Control Board and payment of water rate as specified in G.O.Ms.No.39, I & CAD, dated:02-04-2002, for consumptive use for industrial purpose, and subject to the following conditions:

1. The water shall be spared on the availability of water in the Samalkot Canal.
2. The entire cost of construction of pump-house, pipelines excavation etc. should be borne by the user only.
3. Water meters or suitable measuring devices should be installed by the Industry at their own cost to measure the water consumed and should be made available to the Department authorities and the representatives of the user shall be present at the time of inspection.
4. The industry should pay water rate at the existing rates and subject to revision by the Government from time to time. In case of failure to pay water rate / royalty, the permission to draw water shall stand cancelled.
5. No field bodhi or pipeline shall be taken through or along with Government land without approval of Government and if permission accorded by the Government, the lease amount should be paid as fixed by the Government.
6. The Industry shall obtain the prior concurrence of concerned Departments for laying pipelines crossing etc.
7. The Industry should make their own arrangements for supplementation of water in their premises only.
8. The Industry should make their own arrangements to dispose the treated effluents as per norms of Andhra Pradesh Control Board in their premises only and should obtain prior permission if any needed from Government to dispose treated effluents in the natural sources.
9. The Irrigation Department reserves the right for cancellation of the permission without assigning any reasons thereof.
10. The Irrigation Department is no way responsible for non-supply of water due to any reasons.

Contd.P.2.

//2//

11. The firm must acquire the private land for installation of pumping arrangements.
  12. The water drawn from the Samalkot Canal / Summer Storage Tank, Samalkot should be utilized for the purpose for which permission is granted and any misuse in this regard will entail cancellation for the permission without any notice and the firm is liable for imposition of penalty.
  13. The Industry should follow the Revenue Board Standing Orders.
  14. The Industry shall pay security deposit at 2.5% on ten years water charges for which permission is granted.
  15. The permission shall be for a period of 10 (ten) years only. The permission has to be renewed well in advance before the expiry of permission
  16. The Industry shall pay one year water charges as advance before entering into agreement.
  17. **The Industry should follow the G.O.Ms.No.39 I&CAD dated 2.4.2002 and must pay water charges at the rate of Rs.4.50 per 1000 gallons, as there are no return waters from the industry.**
  18. The Industry should make its own arrangements for summer storage during the canal closure periods.
  19. M/s Kakinada Sea Ports Limited has to conclude an agreement with the concerned Superintending Engineer, Irrigation Circle, Dowlaiswaram.
  20. A detailed plan showing the location, the intake arrangements, details of pump-house, conveyance system etc., shall be furnished to the Department.
  21. The Industry shall abide any other conditions laid down by the Government / Department from time to time.
  22. The firm has to pay the water charges for the estimated quantity in advance at the start of the financial year i.e., before 10<sup>th</sup> April every year.
2. The Engineer-in-Chief (Irrigation) shall take necessary action accordingly in the matter.
